

Recruitment, Selection & Disclosure Policy & Procedure

September 2023

1 Introduction

Sancton Wood School is committed to ensuring the best possible environment for the children and young people in its care. Safeguarding and promoting the welfare of children and young people is our highest priority.

The School aims to recruit staff that share and understand our commitment and to ensure that no job applicant is treated unfairly by reason of a protected characteristic as defined within the Equality Act 2010.

All queries on the School's Application Form and recruitment process must be directed to Lisa Maynard.

An entry will be made on the Single Central Register for all current members of staff at the School, the proprietorial body and all individuals who work in regular contact with children including volunteers, supply staff and those employed as third parties.

The school is owner by Dukes Education Group Ltd.

All checks will be made in advance of appointment or as soon as practicable after appointment.

2 Scope of this Policy

The Recruitment, Selection and Disclosures Policy and Procedure herewith refers and applies to staff directly recruited and employed by the School. In the Education (Independent Schools Standards) (England) Regulations 2014, staff are defined as:

Any person working at the School whether under a contract of employment, under a contract for services or otherwise than under a contract, but does not include supply staff or a volunteer.

In the case of agency or contract workers, the School should set out their safeguarding requirements in the contract between the organisation and the School and must obtain written confirmation from the agency or company that it has carried out the appropriate checks. The School conducts identity checks on agency and contract workers on arrival in School and, in the case of agency workers which includes supply staff, the School must be provided with a copy of the appropriate level of DBS check for such staff.

The School will check with the relevant supply agency that the required checks have been carried out (identity, enhanced disclosure – renewed every 3 years, right to work in the UK, barred list, prohibition, qualifications, overseas checks plus, those checks set out in KCSIE as

'pre-employment' checks. The Single Central Register shows these checks have been made and the School carries out its own identity check and has seen a copy of the disclosure (whether or not it discloses any information).

In respect of contractors, unchecked contractors will under no circumstances be allowed to work unsupervised in School. The School will determine the appropriate level of supervision depending on the circumstances.

Any staff who TUPE transfer into the School's staff will be required to undertake the statutory requirements with regard to safer recruitment checks.

If staff are transferred under TUPE (gap of three months or less and information complete) information will be passed to the new employer and a note made on the Single Central Register that details have been accepted under TUPE. This will also apply for staff transferring from other parts of the Dukes Education Group.

3 Application Form

The School will only accept applications from candidates completing the relevant Application Form in full. CVs will not be accepted in substitution for completed Application Forms, but are permitted to be submitted alongside an Application Form.

The School will make candidates aware that all posts in the School involve some degree of responsibility for safeguarding children, although the extent of that responsibility will vary according to the nature of the post. Candidates for employed posts will receive a Job Description and Person Specification for the role applied for.

Checks will be made of previous employment history to ascertain satisfactory reasons for any gaps in employment. These checks will then be checked against references and any discrepancies discussed with the candidate.

The successful applicant will be required to complete a Disclosure Form from the Disclosure and Barring Service ("DBS") for the position and, where appropriate, a check of the Barred List will be undertaken. Any offer of employment will be conditional on obtaining such satisfactory checks. Additionally, successful applicants should be aware that they are required to notify the school immediately if they are any reasons why they should not be working with children. This includes any staff who are disqualified from childcare or registration

The statutory guidance "Disqualification under the Childcare Act 2006" applies to those providing early years childcare or later years childcare, including before school and after school clubs, to children who have not attained the age of 8 AND to those who are directly concerned in the management of that childcare.

The school takes its responsibility to safeguard children very seriously and any staff member and/or successful candidate who is aware of anything that may affect his/her suitability to work with children must notify the school immediately. This will include notification of any convictions, cautions, court orders, reprimands or warnings he/she may receive.

Sancton Wood School

Staff and/or successful candidates who are disqualified from childcare or registration may apply to Ofsted for a waiver of disqualification. Such individuals may not be employed in the areas from which they are disqualified, or involved in the management of those settings, unless and until such waiver is confirmed. Please speak to the Bursar for more details.

The School has a legal duty under section 26 of the Counter-Terrorism and Security Act 2015 to have 'due regard to the need to prevent people from being drawn into terrorism'. This is known as the Prevent duty. Schools are required to assess the risk of children being drawn into terrorism, including support for extremist ideas that are part of terrorist ideology. Accordingly, as part of the recruitment process, when an offer is made the offer will be subject to a Prevent duty risk assessment [more guidance for schools from the DfE on this can be found at:

https://www.gov.uk/government/uploads/system/uploads/attachment_data/file/439598/prevent-duty-departmental-advice-v6.pdf

If the candidate is currently working with children, on either a paid or voluntary basis, the School will ask their current employer about disciplinary offences, including disciplinary offences relating to children or young persons (whether the disciplinary sanction is current or time expired), and whether the candidate has been the subject of any child protection allegations or concerns and if so the outcome of any enquiry or disciplinary procedure.

If the candidate is not currently working with children but has done so in the past, the School will ask the previous employer about those issues. Where neither the current nor previous employment has involved working with children, the School will still ask the current employer about the candidate's suitability to work with children. Where the candidate has no employment history, the School may request character references which may include references from the candidate's school or university.

All candidates should be aware that provision of false information is an offence and could result in the application being rejected or summary dismissal by the School if they have been appointed, and a possible referral to the police and/or DBS.

4 Invitation to interview

The School will shortlist applicants according to the relevance and applicability of their professional attributes and personal qualities to the role. At least two people will carry out the shortlisting exercise, consider any inconsistencies, look for gaps in employment and reasons given for them and explore all potential concerns.

As part of the shortlisting process, the School will consider carrying out an online search on shortlisted candidates as part of its due diligence. This may help to identify any incidents or issues that have happened, and are publicly available online, which the School may want to explore with an applicant at interview. This forms part of the School's wider safeguarding due diligence which aims to prevent and/or deter individuals who may be unsuitable to work with children from working in a school environment.

Sancton Wood School

Shortlisted applicants will then be invited to attend a formal interview at which his/her relevant skills and experience will be discussed in more detail.

Shortlisted candidates should be asked to complete a self-declaration form in relation to their criminal record or information that would make them unsuitable to work with children. Self-declaration is subject to Ministry of Justice guidance on the disclosure of criminal records. Applicants will be asked to sign a declaration confirming that the information they have provided is true. Where there is an electronic signature, the shortlisted candidate should physically sign a hard copy of the application at the point of interview.

The School will, where possible, obtain references prior to interview. This allows any concerns raised to be explored further with the referee and can be taken up with the shortlisted candidate at interview.

All formal interviews will have a panel of at least two people chaired by the Head/Bursar or another designated senior member of staff. It is recommended best practice that at least one person on the appointment panel will have undertaken safer recruitment training. The Chair of Governors should chair the panel for the Head's appointment. The interviewers involved will be required to state any prior personal relationship or knowledge of any of the candidates and a judgement will be made by the Chair as to whether or not an interviewer should withdraw from the panel. Should the Chair have a conflict of interest, the Vice Chair shall decide whether the Chair should withdraw from the panel.

The interview will be conducted in person and the areas which it will explore will include suitability to work with children including where appropriate, any discussion of information shared by a candidate in their self-declaration form.

All candidates invited to interview must bring documents confirming any educational and professional qualifications that are necessary or relevant for the post (e.g. the original or certified copy of certificates, diplomas etc). Where originals or certified copies are not available for the successful candidate, written confirmation of the relevant qualifications must be obtained by the candidate from the awarding body.

The School requests that all candidates invited to interview also bring with them:

1. A current driving licence including a photograph or a passport and a full birth certificate;
2. A utility bill or financial statement issued within the last three months showing the candidate's current name and address;
3. Where appropriate any documentation evidencing a change of name;
4. Where applicable, proof of entitlement to work and reside in the UK.

Please note that originals of the above are necessary. Photocopies or certified copies are not sufficient.

Candidates with a disability who are invited to interview should inform the School of any necessary reasonable adjustments or arrangements to assist them in attending the interview.

5 Conditional offer of appointment : Pre Appointment Checks

Any offer to a successful candidate will be conditional upon:

1. Receipt of at least two satisfactory references (if these have not already been received);
2. Verification of identity and qualifications including, where appropriate, evidence of the right to work in the UK (if not already received);
3. A satisfactory enhanced DBS check and, if appropriate, a check of the Children's Barred List maintained by the DBS;
4. For a candidate to be employed as a teacher, a check that that the candidate is not subject to a prohibition order issued by the Secretary of State or any sanction or restriction imposed (that remains current) by the historic General Teaching Council for England before its abolition in March 2012. Where the successful candidate has worked or been resident overseas: Such further checks and confirmations as the School may consider appropriate so that any relevant events that occurred outside the UK can be considered. This shall include the candidate providing the School with proof of his/her past conduct as a teacher in the form of a letter of professional standing from the professional regulating authority in the country in which s/he has worked
8. Evidence of satisfactory medical fitness;
9. Confirmation that the candidate is not disqualified from providing childcare as set out in the statutory guidance "Disqualification under the Childcare Act 2006" OR Receipt of a signed Self-Declaration form showing that the candidate is not disqualified from providing childcare as set out in the statutory guidance "Disqualification under the Childcare Act 2006;
10. Where the successful candidate will be taking part in the management of the school, a check will be carried out under section 128 of the Independent Educational Provision in England (Prohibition on Participation in Management) Regulations 2014. This applies to all Governors, Senior Management Team and teaching heads of department; and

It is the School's practice that a successful candidate must complete a pre-employment health questionnaire. The information contained in the questionnaire will then be held by the School in strictest confidence and processed in accordance with the Recruitment Privacy Notice and Data Protection Policy. This information will be reviewed against the Job Description and the Person Specification for the particular role, together with details of any other physical or mental requirements of the role i.e. proposed workload, extra-curricular activities, and/or layout of the School.

The School is aware of its duties under the Equality Act 2010. No job offer will be withdrawn without first consulting with the applicant, considering medical evidence and considering reasonable adjustments.

6 References

The School will seek the references referred to in section 5 above for shortlisted candidates (including internal applicants) and will approach previous employers for information to verify particular experience or qualifications, before interview. One of the references must be from the applicant's current or most recent employer. References must be received by a senior person with appropriate authority. If the candidate does not wish the School to take up references in advance of the interview, they should notify the School at the time of applying.

The School will ask all referees if the candidate is suitable to work with children and to provide facts of any substantiated safeguarding concerns/allegations that meet the harm threshold set out in Part 4 of the statutory guidance 'Keeping Children Safe in Education'.

The School will only accept references obtained directly from the referee and it will not rely on references or testimonials provided by the applicant or on open references or testimonials.

The School will compare any information provided by the referee with that provided by the candidate on the Application Form. Any inconsistencies will be discussed with the candidate.

7 Criminal Records Policy

The School will refer to the Department for Education ("DfE") document, 'Keeping Children Safe in Education' and any amended version in carrying out the necessary required DBS checks.

The School complies with the provisions of the DBS Code of Practice, a copy of which may be obtained on request, or accessed here:

<https://www.gov.uk/government/publications/dbs-code-of-practice>.

There are limited circumstances where the school will accept a check from another educational institution which are as follows:

This is where the new member of staff ("M") has worked in: –

- (a) A school or a maintained school in England in a position which brought M regularly into contact with children or young persons;

(b) A maintained school in England in a position to which M was appointed on or after May 2006 and which did not bring M regularly into contact with children or young persons; or

(c) An institution within the further education sector in England or in a 16 to 19 Academy in a position which involved the provision of education or which brought M regularly into contact with children or young persons, during a period which ended not more than three months before M's appointment.

In these circumstances the school may apply for a disclosure but is not required to do so. A new, separate barred list check will be obtained.

DBS Update Service

Where an applicant subscribes to the DBS Update Service the applicant must give consent to the school to check there have not been changes since the issue of a disclosure certificate. A barred list check will still be required.

If disclosure is delayed

A short period of work is allowed under controlled conditions, at the Head's discretion. However, if an 'enhanced disclosure' is delayed, a Head may allow the member of staff to commence work:

- Without confirming the appointment;
- After a satisfactory check of the barred list if the person will be working in regulated activity and all other relevant checks (including any appropriate prohibition checks) having been completed satisfactorily;
- Provided that the DBS application has been made in advance;
- With appropriate safeguards taken (for example, loose supervision);
- Safeguards reviewed at least every two weeks by the Head/Bursar and member of staff;
- The person in question is informed what these safeguards are; and
- It is recommended, but is not a requirement, that a note is added to the single central register and evidence kept of the measures put in place.

The School will comply with its data protection obligations in respect of the processing of criminal records information. More information on this is included in the Recruitment Privacy Notice and the Data Protection Policy.

Appendix

Policy on the Recruitment of Ex-Offenders

The School will not unfairly discriminate against any candidate for employment on the basis of conviction or other details revealed. The School makes appointment decisions on the basis of merit and ability. If an individual has a criminal record this will not automatically bar him/her from employment within the School. Instead, each case will be decided on its merits in accordance with the objective assessment criteria set out below.

All candidates should be aware that provision of false information is an offence and could result in the application being rejected or summary dismissal if they have been appointed, and a possible referral to the police and/or DBS.

Under the relevant legislation, it is unlawful for the School to employ anyone who is included on the lists maintained by the DBS of individuals who are considered unsuitable to work with children. In addition, it will also be unlawful for the School to employ anyone who is the subject of a disqualifying order made on being convicted or charged with the following offences against children: murder, manslaughter, rape, other serious sexual offences, grievous bodily harm or other serious acts of violence. It is also unlawful for the School to knowingly employ someone who works in the relevant settings and is disqualified from providing childcare under the statutory guidance "Disqualification under the Childcare Act 2006".

It is a criminal offence for any person who is disqualified from working with children to attempt to apply for a position within the School. The School will report the matter to the Police and/or the DBS if:

- the School receives an application from a disqualified person;
- is provided with false information in, or in support of, an applicant's application; or
- the School has serious concerns about an applicant's suitability to work with children.

Sancton Wood School

In the event that relevant information (whether in relation to previous convictions or otherwise) is volunteered by an applicant during the recruitment process or obtained through a disclosure check, the School will consider the following factors before reaching a recruitment decision:

- whether the conviction or other matter revealed is relevant to the position in question;
- whether the conviction or caution is 'protected' as defined by the Rehabilitation of Offenders Act 1974 (Exceptions) Order 1975 (Amendment) (England and Wales) Order 2020 (if yes, it will not be taken into account);
- the seriousness of any offence or other matter revealed;
- the length of time since the offence or other matter occurred;
- whether the applicant has a pattern of offending behaviour or other relevant matters;
- whether the applicant's circumstances have changed since the offending behaviour or other relevant matters;
- in the case of disqualification from providing childcare, whether the applicant has or is able to obtain an Ofsted waiver from disqualification; and
- the circumstances surrounding the offence and the explanation(s) offered by the convicted person.

If the post involves regular contact with children, it is the School's normal policy to consider it a high risk to employ anyone who has been convicted at any time of any the following offences: murder, manslaughter, rape, other serious sexual offences, grievous bodily harm or other serious acts of violence, serious class A drug related offences, robbery, burglary, theft, deception or fraud.

If the post involves access to money or budget responsibility, it is the School's normal policy to consider it a high risk to employ anyone who has been convicted at any time of robbery, burglary, theft, deception or fraud.

If the post involves some driving responsibilities, it is the School's normal policy to consider it a high risk to employ anyone who has been convicted of drink driving.

10 Volunteers

Volunteers at our school bring with them a range of skills and experience that can enhance the learning opportunities of pupils. The Board of Governors therefore, welcomes and encourages volunteers from the local community to assist in its day to day running. The kinds of activities that volunteers may assist with are hearing pupils read, working with small groups of pupils to assist them in their learning, working alongside individual pupils, as an additional tutor, or accompanying school visits.

Volunteers will be recruited and vetted via the process set out below. Volunteers who take part in a regulated activity will be subject to safer recruitment checks.

Recruitment

Volunteers will be subject to an informal recruitment process which will involve a meeting with the Head of School to discuss the requirements of the School and the skills of the volunteer. The purpose of this meeting will be to understand whether the prospective volunteer has any previous relevant experience and find out whether the expectations and requirements of each party meet and whether there is a volunteering opportunity at the School.

Any volunteering placement may be offered subject to the following checks, if relevant:

1. an enhanced DBS certificate;
2. if the volunteer will be undertaking a regulated activity, a barred list check;
3. evidence of their entitlement to work in the UK, where relevant;
4. confirmation that the volunteer has not been disqualified from participating in the management of independent schools;
5. if the successful candidate will be undertaking a regulated activity and has worked or been resident overseas, such checks and confirmations as the School may consider appropriate so that any relevant events that occurred outside the UK can be considered;
6. a declaration that they are not disqualified from providing childcare as set out in the statutory guidance "Disqualification under the Childcare Act 2006";
7. depending on the nature of the role, the volunteer may also be asked to sign a confidentiality statement; and
8. references may also be required.

Induction

Volunteers will be provided with training on the following matters once the volunteering placement commences:

- Child Protection Policy and safeguarding obligations
- Policy for induction of new staff, governors and volunteers in child protection
- Staff Behaviour Policy
- Health and Safety
- Confidentiality obligations
- Supervision
- Data Protection

Data Protection

The School will comply with its obligations under the relevant data protection legislation. Volunteers' attention should be drawn to the Staff Privacy Notice and Data Protection Policy which sets out details of how the School will process volunteers' personal data.

11 Visiting Speakers

Introduction

Sancton Wood School ('the School') often invites speakers from the wider community to give talks to enrich our pupils' experience. The School recognises the enormous benefit gained by pupils from speakers from all walks of life. Both the School and pupils greatly appreciate the time and effort that Visiting Speakers put in to their presentations.

The purpose of this Policy is to set out the School's legal obligations when using Visiting Speakers and to set out the standards of behaviour expected from Visiting Speakers.

This policy should be read in conjunction with the School's Safeguarding Policy.

Overview

The Prevent statutory guidance (<https://www.gov.uk/government/publications/prevent-duty-guidance>) expects schools to have clear protocols for ensuring that any visiting speakers are appropriately supervised and suitable. This policy was therefore drawn up having had regard to the Government's Prevent Duty guidance and the School's wider safeguarding obligations.

The School's responsibility to pupils is to ensure that they can critically assess the information that they receive as to its value to themselves, and that such information is aligned to the ethos and values of the School and British values of democracy, the rule of law, individual liberty and mutual respect and tolerance of those with different faiths and beliefs.

School Protocol

All requests for outside speakers (be this from a pupil or school staff) must firstly be discussed with the Head of School.

The School will undertake a risk assessment before agreeing to a Visiting Speaker attending the School. This will take into account any vetting requirements considered appropriate in the circumstances, and may include a DBS check if relevant. The School may also conduct research on the Visiting Speaker and/or their organisation, as appropriate. The School will not use a Visiting Speaker where any link is found to extremism, such as extremist groups and movements.

The School will obtain an outline of what the speaker intends to cover in advance of the Visiting Speaker's visit. In some cases, the School may also request a copy of the Visiting Speaker's presentation and/or footage in advance of the session to ensure it is appropriate to the age and maturity of the pupils to be in attendance and does not undermine British values or the ethos and values of the School.

Sancton Wood School

A member of school staff will be present during the visit/talk, who will monitor what is being said to ensure that it aligns with the values and ethos of the school and British values. In the unlikely event that the talk/presentation does not meet this requirement, Visiting Speakers will be informed that school staff have the right and responsibility to interrupt and/or stop a presentation. The member of staff will report this to the Principal as soon as reasonably practicable after the talk/visit.

Visiting Speakers will be supervised by a School employee whilst on School site. At no point will a Visiting Speaker be left unsupervised on School site whilst pupils are present.

On arrival at the School, Visiting Speakers will be required to show an original current identification document including a photograph such as a passport or photo card driving licence and will be asked to sign the visitor's book. The Visiting Speaker will be issued with a visitors' badge which they must wear at all times whilst on school site. Visiting Speakers will also be briefed on the School's Safeguarding Policy and should confirm to the School that they have the appropriate DBS check (unless the Visiting Speaker's employers have already confirmed that their staff have had the appropriate checks).

The School will keep a formal register of visiting speakers, which will include their contact details and information on the subject matter of their presentations. The School may also process details of the Visiting Speaker's health where necessary in order to protect their health and safety. Any information gathered will be kept in accordance with the School's Data Protection Policy and the Staff Privacy Notice.
